Complete this portion of the form upon RETURN to S. FL and EMAIL the completed (top and bottom) form to school office (office@nativitysch.com):

Answer YES or NO to each of the following:

During the travel outside of S. FL, the student/employee:

Yes No - Practiced social distance of at least 6' from everyone

Yes No - Wore mask everywhere in public except when actually eating

Yes No - Wore mask when with anyone not in S. FL household, whether inside or outside.

Yes No - Avoided anyone who is sick or with symptoms that might be COVID - 19

Yes No - Avoided crowds of any sort, anywhere

Yes No - Came into contact with anyone who has / had COVID-19 or is quarantined

Depending on circumstances and my capacity to exercise safe behaviors with respect to exposure to COVID-19 during my travel, I realize my parish/school/employer may require me to quarantine upon my return for 3 days, test using PCR test (not antigen) and remain quarantined until NEGATIVE PCR test results are received. I understand that the negative test results must be presented to my parish/school/entity once received in order to return to school or work. Virtual learning for students is available during quarantine.

I am electing to travel outside of S. FL and have received this form prior to my departure in order to understand the requirements of the ADOM to maximize the safety and good health of all students and employees. I realize vacation or personal time off will be used for required quarantine time.
